The Company is part of an international industrial group of which Iberdrola, S.A. Based on the foregoing, the Company constitutes the country subholding company of the Iberdrola group in Spain, taking on the duty of organisation, supervision and strategic coordination in relation to the head of business companies in which it has an interest, respecting the required corporate autonomy thereof with respect to the day-to-day and effective management of the businesses that constitute the corporate objects thereof and the resulting responsibility for their day-to-day control.

This Preamble also seeks to expressly state the Company's commitment to the *Purpose (to continue building together each day a healthier, more accessible energy model, based on electricity)* and *Values (sustainable energy, integrating force and driving force)* of the Group, as well as to its *Code of Ethics*, which, as the foundation of its corporate philosophy and ethical principles, govern the Company's activity as constituted by its corporate object and guide its business strategy and enterprise.

To the extent applicable thereto, these *By-Laws*, of which this Preamble forms a part, govern the conduct of the Company's governance bodies, senior management and other professionals within the Company, who shall have the duty to comply and the right to demand compliance herewith.
