

Proprietary Director of Iberdrola Energía España, S.A.U.

Industrial engineer (UPV, Bilbao) and Postgraduate degree in Business Administration (IESE, Madrid).

RELEVANT EXPERIENCE:

Energy sector

As managing director of the Iberdrola Group's Customer Business, he is responsible for coordinating retail activities and operations in Iberdrola's energy markets worldwide, with a special focus on decarbonisation solutions for industrial and residential customers.

He is also Chairman of the Board of Directors of Scottish Power Retail Holdings Ltd.

He joined Iberdrola in 1994, having started his career at the engineering and consultancy company IDOM.

During his first years at Iberdrola, he worked in the Planning and Studies direction. He was later appointed head of the Power & Emissions Trading department.

From July 2006 to January 2016 he was the retail director of the Iberdrola Group, responsible for a portfolio of more than 20 million customers in Europe as well as for the development and coordination of Iberdrola's global retail business.
